

Muhammad Ramzan's Success Story

Name	Muhammad Ramzan	Village	Khu Sai Wala	UC	83.Jhok Wains
Tehsil	Bosan Town	District	Multan	WAK	Sai Wala

Issue:

Muhammad Ramzan is living in the village khu Sai Wala. Muhammad Ramzan belongs to Alh Sunat sect. Ashiq Hussain belongs to Brelvi sect. There was a dispute between Muhammad Ramzan and Ashiq Hussain because as they belong to different sects. They both hated each other due to sectarianism. Muhammad Ramzan even did not want to see Ashiq Hussain. The hatred was so extreme for six years that they did not take part in the happiness and sorrows of each other just because they belong to different sects. The passing way of Ashiq Hussain passed through Muhammad Rmzan's house, but due to this clash Muhammad Ramzan started quarreling each time whenever Ashiq hussain went through that path. Muhammad Ramzan could not bear to see Ashiq Husaain again and again to pass through his house therefore; he stopped the passing way of Ashiq Hussain. They were neighbors but they were living totally as strangers and enemies just because they were from different sects.

How the issue resolved:

Muhammad Ramzan said one day in September, the representative of Sanjh Pakistan Team came to me and told me about peace, brotherhood and interfaith harmony. Sanjh Pakistan Team invited him for a theater drama. Muhammad Ramzan told that he though did not want to go to watch that theater drama but just to know what it would be about, he went there and watch drama completely which was totally on peace and brotherhood. Muhammad Ramzan said “This act of theater drama changed my mind a little bit and due to this drama I decided to be a part of Wasaib Aman Kath. Then I attended different meetings of Wasaib Aman Kath which changed my mind totally and I decided to become a WAK member.” In this way Muhammad Ramzan became a supporter of Wasaib Aman Kath. After becoming the member of WAK, Muhammad Ramzan felt embarrassed that he did not have made peace with his neighbor Ashiq Hussain. He felt ashamed that Ashiq Hussain was his neighbor and he hated him just because Ashiq Hussain was from Brelvi sect. Muhammad Ramzan thought that they should sit together and resolve their issue hatred due to sectarianism. Muhammad Ramzan went to the house of Ashiq Hussain, who was elder to him. Muhammad Ramzan apologized to Ashiq Hussain, his family and said to them that he would open their passing way too. And now he would not create any problem for Ashiq Hussain and his family. He said “The lesson that I have learnt from Sanjh Pakistan Team about peace, brotherhood and inertfaith harmony is very useful for me as well as for ashiq Husaain’s peaceful future.” Muhammad Ramzan told that peace would not be possible if there were peace ambassadors and closing the way of people and disconnected with his neighbors. Muhammad Ramzan said, “Now I will never create any problem for Ashiq Hussain and for his family due to their different sects, I will respect the people of all sects , I will take part in the happiness and sorrows of Asiq Hussain as well as all other sect’s people. Muammad Ramzan told that the issue between him and Ashiq Hussain resolved only by the establishment of Wsaib Aman Kath’s programs. Now Muhammad Ramzan treats Ashiq Hussain as a brother and friend as well as they live united with peace.
